Dear Examiner McAvoy,

We got confirmations that USPTO received the first pages of the two facsimiles sent to you on November 19, 2004 for the interview we are scheduling in early December. I just wanted to confirm that all the pages sent in the two facsimiles were received. The first facsimile, Part 1, contained 55 pages and the second facsimile, Part 2, contained 38 pages.

Please let me know if you do not have all the sent pages and whether there is anything additional that you would like me to send you. Please let me know when it would be convenient for you to have a short telephone interview with me. Thank you.

Very truly yours,

Sarita Kelley
